

## 10 FESTIVE PROMO PRODUCTS

for the

# Holiday Season

Corporate gifts. Holiday parties and events. Winter giveaways. With all the marketing opportunities the upcoming holiday season brings, your clients are likely looking for a lot of festive ideas! We've collected a range of our favorite items that will inspire your clients to celebrate the holidays with custom promo products.

Kitchen accessories will be very useful for holiday cooking, baking, and serving. Consider offering a high-quality cutting and serving board to your clients looking for a long-lasting gift.

Cutting and Serving Board

For large holiday events, clients may want shatterproof drinkware but something also aesthetically appealing. These stemless wine glasses have the sleek appearance of glass but come in a party-proof material.

Stemless Wine Glasses

This customized gift set of spa essentials makes for an excellent holiday giveaway for clients looking to offer a luxurious escape from the cold weather.

The holiday travel season is an ideal opportunity for a simple branding effort that goes a long way. These leather luggage tags are a durable way for your clients to gain impressions.

Gloves, Scarf and Beanie

If your client loves the unconventional, they will love the idea of a record player to set the atmosphere for their holiday parties.

Record Player

Throw blankets are essential winter staples and a chance for your clients to brand a well-loved promotional gift.

Throw Blanket

Don't forget to suggest customized gift bags and boxes to your clients! These LED gift boxes are a unique way to showcase gifts with their bright color-changing lights.

LED Gift Boxes

If a client is looking for a festive twist for a corporate party, suggest customized knit sweaters. Available in a range of colors, these sweaters are a fun addition this holiday party season.

Customized Knit Sweaters
